To

Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Sir,

I have the honor to state that one of the subjects discussed at the Conference of the several Superintendents of Police, held in April 1918, was the desirability of empowering Police Inspectors to grant casual leave to constables in anticipation, up to 5 days and the same was unanimously agreed to by all, on the ground that the existing rules regulating the grant of leave to non-gazetted officers necessitate the constables to get their leave sanctioned by their Superintendents.

2. This practice also exists in the Bombay and Madras Presidencies and in the Punjab, where Inspectors and Station House officers are empowered to grant casual leave to constables in case of ~~emer-~~ urgency.

3. I agree with the Superintendents in their view. Besides, I am of opinion that the present restriction offers great inducement to constables to leave their head-quarters without orders permitting them to do so, in case of urgent necessity. This is an evil involving breach of discipline and the sooner it is stopped the better it will be.

4. The present proposal is therefore to empower Inspectors to
